

EAST-EUROPEAN UNIVERSITY NETWORK

Lublin, 14 April 2006

Dear Colleagues,

We organize our 2006 meeting in Lublin, Poland (2-3 June 2006). The place has been chosen to underline that our Network is a practical realization of the idea of East-West cooperation expressed by 2004 Lublin Declaration.

The costs of the meeting will not exceed 250 EUR (including accommodation for 2 nights, subsistence, conference materials etc.). We do hope that your University will take part in our event. The most important issue for our Network is to become a legal entity; it will allow us to apply for European educational and research grants. We would also like to decide what common actions should be undertaken in near future. In coming months new rules concerning research (7th Framework Program) and education (Socrates etc.) will be determined for the period 2007-13; we would like to be well prepared for new challenges.

We propose the following program of our meeting:

Thursday, 1 June:

- Arrival of participants

Remark: We assure transport from Warsaw (airport/railway station) to the conference site.

Friday, 2 June

- Plenary session
- Lunch
- EEUN General Assembly. Approval of EEUN statutes, election of President and Executive Committee
- Dinner

Saturday, 3 June

- Discussion in work groups
- "TEMPUS Workshop"
- Closing session
- Lunch
